

## EAGLES LANDING DANCE CENTER DRESS CODE

*Appropriate dance attire allows the instructors to see complete body movements and to assess technique and to correct accordingly. Having each level be distinguished by color can quickly remind instructors what age & level they are working with to provide appropriate instruction, while allowing us to keep students in class based on their ability, not their age. Similar attire for all students is less distracting for instructors and students. Loose hair is distracting and can limit dancers' visibility. Jewelry can injure a dancer, if they are wearing it or if it was to fall off and be stepped on. Staying hydrated is important during any physical activity including dance (bottled water only).*

*To help with consistency in class, all families should plan for making the switch to the appropriate color Leotard for your child's level. You can also purchase attire at ELDC.*

*All girls must wear their hair in bun (high or low) for all ballet classes. All other classes - hair must be pulled back into ponytail and neatly off face and neck & **NO** jewelry in class (including smart watches or fitness trackers).*
